2011 Unified Carrier Registration Due

Effective Date January 1, 2011

2011 Unified Carrier Registration Due

The Unified Carrier Registration is a registration required for most interstate carriers as well as brokers and freight forwarders. The fees are determined by fleet size with brokers and freight forwarders on the minimum fee bracket.

Unlike past years, enforcement of the 2011 UCR will begin January 1st 2011. There is no grace period.

To register your company or if you have questions, you can call **1-800-784-7813**.

Please note, this is a general reminder to all our carriers. You may have already registered or be exempt.

2011 New Mexico Weight Distance Permit Due

All 2010 New Mexico Weight Distance permits expire at the end of the calendar year. The 2011 permit is due by January 1st and state officials will begin enforcement then.

Please note this is a general reminder and may not pertain to your company. If you do not operate New Mexico or your vehicles are not over 26,000 pounds, this permit is not required.
